POKER POWDER TO STAY CALM WHILE YOU COLLECT

Stay cool and calm at the table with Poker Powder, a 100 percent natural body powder. Providing temporary relief from bad beats and horrible flops, this talc-like product is perfect for poker players, dealers and anyone who needs to sit for extended periods of time. Made from arrowroot powder, cornstarch and China clay, Poker Powder will keep you comfortable and fresh for every hand. \$8.98, available at www.pokerpowder.com.

PLUSH TOWEL TO PLUG THOSE LEAKS

This plush 4-pound towel promises that you will never go back to your standard bath or beach towel again. Bimini LifeStyles of Marco Island, Florida, says the 40-by-80-inch white towel "will make all others obsolete." The luxury towel is perfect for everyday use on the beach or for sopping up those tears after a bad beat. You can even have your favorite hand or nickname embroidered on the all-cotton towel. Order directly at www.XTtowels.com or by phone: 1-239-784-6910. Retail price is \$49 (embroidery additional).

THE ONLY POKER BOOK YOU'LL EVER NEED

Well, the cover might overstate the case a bit, but if you are a new hold'em player this just-released book by John "Johnny Quads" Wenzel, editor of *Poker Pro* and *Poker Pro Europe*, will get you on the right track. Published by Adams Media (Boston), the book guides you from the basic hands, odds and probabilities up through hold'em strategy, pot odds, table image, bluffing, tells, reading opponents and online poker. If you know someone just starting out in the game, this is the perfect introductory book to give him or her. *The Only Poker Book You'll Ever Need* gives new players a solid foundation on which to build—and keeps them financially sound—until they are ready for deeper tomes. \$9.95 at all major bookstores and amazon.com.

WPT DIGITAL DEALER BUTTON

The World Poker Tour Digital Dealer Button with built-in tournament timer is a great accessory for every home poker tournament. It combines the two essential elements of tournament play: It can be safely passed as a dealer button, and it keeps the blind-increase timer at your fingertips. The WPT Digital Dealer Button replaces awkward timing devices such as kitchen, stovetop and microwave timers. It is tamper-proof and features an easy-to-read LCD display, one-minute warning, auto shutoff (battery included) and a lifetime warranty. The package is the exact dimensions of a playing card box and fits easily in a chip case card slot. \$19.95 online at www.DBdealer.com.
